**SOCIAL SKILLS
AND COMPETENCES**

- Patient approaching. During my 40-years experience in people health treatment I could develop special social skills facing people's problem both from medical and psychological point of view.

ORGANISATIONAL SKILLS
AND COMPETENCES

- Leading. Being the founder and the in office head physician of a dermatology ward allow me to develop coordinational and organisational skills referring to a teamwork made up of 11 people;
- Public speaking. Over the past 5 years I have organised and have been a lecturer in about 50 congresses in dermatologic matter and in related areas (e.g. immunology, farmocology and infettivology, see annex B).

TECHNICAL SKILLS
AND COMPETENCES

- Dermatologic surgery (e.g. melanocitic and non-melanocitic skin tumors);
- Dermatologic ultrasound scanning. At this regard I have also carried on an intensive teaching activity (see Annex B)
