

24<sup>TH</sup> WORLD CONGRESS  
OF DERMATOLOGY  
MILAN 2019

## **MATILDE IORIZZO**

Dr. Iorizzo is a dermato-venereologist with specific areas of interest in hair and nail disorders as well as pediatric dermatology. She has obtained her MD (1999), Residency (2004) and PhD (2007) at the University of Bologna, Italy.

After few years of private practice between Bologna and Milan, in 2008 she moved to Switzerland (Ticino) where she currently lives and practice as a FMH dermato-venereologist, medical consultant and scientific advisor for pharmaceutical industries.

She has broadened her experience by visiting the following institutions: Wake Forest Medical School (Winston Salem, NC, USA), Sophia's Children Hospital @ Erasmus Medical Center (Rotterdam, NL), University Hospital of Liège (Belgium), Weill Cornell Medical College (New York City, USA).

She has authored and co-authored almost 100 papers (among with 70 on PubMed) and 30 book chapters. She has participated more than 60 conferences. In 2010 she has co-authored the book Tosti A, Daniel R, Piraccini BM, Iorizzo M. Color Atlas of Nails edited by Springer. Since 2015 she is editorial board member for Skin Appendage Disorders (Karger Pub), the official journal of the European Nail Society.
