

24TH WORLD CONGRESS
OF DERMATOLOGY
MILAN 2019

VINCENT SIBAUD

is a board certified oncodermatologist, who holds the position of senior physician at the Cancer University Institute, Toulouse Oncopole, France. His clinical activity is mainly dedicated to the management of patients suffering from acute/long-lasting dermatological toxicities induced by chemotherapy, radiotherapy, targeted therapies, or immunotherapy. He is also closely involved in Oral Medicine and in early trials conducted in Oncology.

Dr. Vincent Sibaud is the first author or co-author of numerous peer-reviewed publications in this field, and has established successful international collaborations. Finally, he has published several textbooks on "Dermatology of anticancer treatments".
