

24TH WORLD CONGRESS
OF DERMATOLOGY
MILAN 2019

AGNES HENG

is the president of the Dermatological Society of Malaysia (DSM) and a council member of the Asian Academy of Dermatology & Venereology (AADV). She sits on the editorial board of the Malaysian Journal of Dermatology and is also a reviewer for the Medical Journal of Malaysia.

Her areas of interest include cutaneous autoimmune diseases, acne, atopic dermatitis and cosmetic dermatology. She has been invited regularly to speak at various national and regional conferences and is a key opinion leader and speaker for several pharmaceutical companies.

Dr Agnes also plays an active role in organizing dermatology conferences and community outreach programmes for the country.
