

24TH WORLD CONGRESS
OF DERMATOLOGY
MILAN 2019

ALON SCOPE

is the director of the Advanced Skin Cancer Screening Research & Development Institute at Sheba Medical Center, an associate professor of dermatology at Tel Aviv University, and a dermatology research faculty member at Memorial Sloan Kettering Cancer Center (MSKCC).

His research focuses on non-invasive imaging of skin neoplasms. He is an executive board member of the International Dermoscopy Society, diagnosis project leader of ISIC – the International Skin Imaging Collaboration, and chair of the Israeli Dermoscopy Society.

In recognition of his research achievements, Prof. Scope received in 2009 the “Paolo Carli Award for Scientific Excellence and Leading Contributions to Dermoscopic Research”; in 2016, the Israel Science Foundation Freedenberg research award; and in 2017, the Teva Founders research award. He was also an invited keynote speaker at World Congress of Dermoscopy in Australia (2012), Vienna (2015), and Thessaloniki (2018).
