## **PAUL REDMOND**

Dr. Paul Redmond is Director of Student Experience and Enhancement at the University of Liverpool and an expert on generations and the world of work. As an experienced writer and speaker Paul has presented at numerous events and conferences around the world. In addition to writing regularly for national newspapers, he is a frequent contributor to radio and TV programmes.

Paul's work brings him into contact with a broad range of national and international organisations. His research into the future of work and 'Generation Y' has attracted considerable attention among both graduate recruiters and the media.

Paul is a Fellow of the Royal Society of Arts and the author of several books, including the best-selling '*The Graduate Careers Formula*,' and '*A Parent's Guide to Graduate Jobs*.'
